

# SHOP SAFELY AT SHOWTIME

ITA has been working with multi-tenant buildings and standalone showrooms to ensure that our attendees can safely shop at Showtime in November. The following precautions will be taken by **all buildings and standalone showrooms**:

## MONITORING OF ATTENDEE HEALTH

- Each attendee's temperature will be taken upon entry to the building each day. Attendee's with a temperature of less than 100.4 F will be provided with a colored wristband to identify that they have been checked. The wristband color will change each day.
- Any attendee with a temperature of 100.4 F or higher will not be allowed access to any building and/or showroom.

## CLEANING & SANITATION

- High touch surfaces will be disinfected often throughout the day using EPA approved disinfectants
- Hand sanitizer containing 60% alcohol will be readily available at registration, elevators and throughout the buildings

## SOCIAL DISTANCING

- The capacity of each showroom will be posted at the entrance. This will be monitored closely by showroom personnel and show organizer.
- Signage has been installed throughout common areas to indicate appropriate spacing for registration and elevators.

## REGISTRATION

- Pre-registration will be encouraged to prevent lines at onsite registration.
- Exhibitors will receive access to the show by showing their registration confirmation. Exhibitors may request a printed badge when there is no line at registration.
- Three separate registration areas will be available at Market Square – Market Square First Floor entrance, Market Square Second floor entrance and Market Square Courtyard.

## FACE COVERING

- Attendees will be required to wear a face covering at all times pursuant to NC

Executive Order 147

- Those without a face covering will be provided with one and any participants refusing to wear one WILL NOT be allowed in the showroom.

**TRANSPORTATION AND PARKING**

- Courtesy shuttle service will be offered between multitenant buildings. Only one party per shuttle will be allowed. Shuttle stops will be covered in the event of inclement weather.
- Drivers and passengers will be required to wear masks in shuttle vans.
- Shuttles will be sanitized regularly throughout the day or after each trip.
- The airport courtesy shuttle will not be offered at November Showtime.

**CATERING AND FOOD**

- No self-service food or beverage stations (no buffets, self-serve coffee machines, self-serve hors d'oeuvre platters)
- All food must be prepackaged in individual servings.
- Disposable single-use plates and cups must be used.
- All utensils must be plastic, disposable and individually wrapped.
- As much as practicable, all beverages must be individually packaged

\*High-risk individuals are encouraged to stay home.
