

The International Textile Alliance (ITA) is the go-to resource for textile professionals around the world. Through the Educational Foundation, ITA offers leadership, networking and educational opportunities designed to support ITA members and students as they advance in the industry.

FOUNDERS' SCHOLARSHIP

An annual scholarship for children of member employees, awarding \$5,000 towards their education.

VIRGINIA JACKSON DESIGN COMPETITION

An annual competition to recognize the most talented students in the field of textile design (design categories include Dobby, Jacquard, and Print) and create a vehicle to bring new talent into the industry.

COVER COMPETITION

An opportunity awarded twice a year to a talented textile design student. The winning student and school receives exposure in the Interwoven Textile Fair by ITA Show Guide and Magazine.

INTERNSHIP PROGRAM

The ITA Educational Foundation assists member companies in securing interns and providing up to a \$2,000 stipend.

INTERNATIONAL INTERNSHIP

Our sponsored international internship encompasses 8 weeks at an international mill of one of our members, working alongside a skilled design team.
